Valley Dentist Offers Military Discount and Donation to Wounded Warrior Project®

(PHOENIX)— Dr. J. Philipp wants to help some of the half a million veterans who call Arizona home. During the month of November, the Chandler dentist is offering a 10 percent discount on all services to current and former military members. The office will also donate \$50 for every crown completed to the Wounded Warrior Project®.

“I’m excited to be part of giving back to people who have given so much,” said Dr. Philipp. “My family has a history of military service, my staff have military family members, and we are proud to call many current and former servicemen and women our patients.”

November’s focus on veterans follows October’s support for Operation Gratitude. Dr. Philipp’s office paid children \$2 per pound for Halloween candy which was shipped to American troops to provide a ‘taste of home’ and let them know that children care.

As part of his year round commitment to giving back, Dr. Philipp also supported the following projects:

- United Food Bank’s “Christmas in July” drive
- Make a Wish Foundation
- Phoenix Rescue Mission
- My Hope Bag for breast cancer patients
